SUBDIVISION PLAT REVIEW CHECKLIST

The Planning Board shall not approve a subdivision unless it first determines that the subdivision plat and application materials meet the following standards, as applicable. Please check off the corresponding box if the application has the respective material content in the application.

	Completed application Pages 1-4 (General Application and Project Info/Signatures)
	Formal Survey of the Property. If no formal survey exists, the Zoning Administrator may require one. All Major subdivisions shall have existing surveys.
	Subdivision Plat accurately detailing location of proposed subdivided lots and sizes, and proposed development of the lots with a scale, legend, title block and north arrow. The plat should have items including but not limited to the following:
	A vicinity map showing location of the site in regards to the surrounding area
	Identification of contiguous properties and roadways
	Delineation of zoning districts and their boundary lines
	Identification of any existing/proposed easements or rights-of-way on the property, including access or utility easements
	Topography contours (existing and post-development)
	Proposed limits of disturbance on the site(s)
	Proposed Stormwater Design and Calculations (SWPPP if Major Sub.)
	Existing and/or Proposed Septic locations, Design and Details
	Soil Testing and Percolation Test locations and results
	Existing hydrology of the site (any streams, ponds, wetlands, lakeshore)
	Existing development, including buildings, accessory structures, drives
	Existing and proposed setbacks, including zoning setback envelope / table
	Existing and/or proposed electrical systems including subsurface lines
	Existing and/or proposed water wells or water supply infrastructure
	Existing and/or proposed shoreline amenities (docks, cribs, wharfs, etc.)
	Traffic/Circulation including all proposed roadways (and road profiles), driveways, parking areas, main egress/ingress (curb cuts), loading zones, Fire/EMS access provisions or pedestrian amenities
	Landscape or Planting Plan, or location of vegetation to be removed
	Outdoor recreation, Green Space, or other passive land use on the site
	Photos of existing property with notes detailing proposed development locations
	APA Materials. Submittal of the Jurisdictional Inquiry Form (JIF) submitted, if applicable, and the response thereto, received from the APA.
	SEQR Forms. Part 1 of a Short Form (if unlisted) or Long Form (if Type 1 action).
	State Forms. Any associated paperwork from DOH, DEC, OPRHP, ACOE, or DOT.
