This property has a cesspool which does work with minimal use. There are no issues with the neighboring wells.

There is a high water alarm in place if the water gets too high, it will shut off.

A motion was made by Fred Austin and seconded by Dennis Dickinson to approve with the conditions that the Town be notified at least 48 hours prior to construction and that a certified as-built be submitted to the Town after construction.

All in favor, motion carries.

A motion was made by Fred Austin and seconded by Dennis Dickinson to adjourn at 3:10 p.m.

All in favor, motion carries.

Respectfully Submitted,

Adele Behrmann
Clerk of the Board
